

EcoGun 910

Manual Air Spray Gun Gravity-Feed

Description

The **EcoGun 910** is a 2-piston state-of-the-art gravity-feed air spray gun. Designed for professional use, performance and durability are its distinguishing characteristics in order to meet highest demands. Via exchangeable air caps with different atomization performance, this spray gun ensures maximum

flexibility. User-friendly handling is guaranteed by the light weight and ergonomic body. The **EcoGun 910** is predestined for the automotive and general industry, refinishing, wood and glass painting, but also equally suitable for almost any other paint coating purposes.

Customer Benefits
